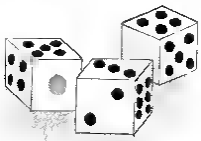
Rai,

YOU'LL NEED TO DETERMINE THE PATH TO HAPPINESS.

If only this meant I was invincible.



*At first he said the japanese word for dice then he told her to call it daisu(dice)

THESE ARE DICE.

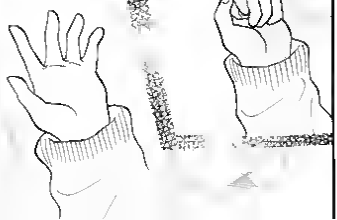
YOU SHOULD CALL THEM "DICE"*.

BELIEVE IN YOURSELF AND THROW THEM.

My father showed this to me, and from that day on I experienced nothing but happiness

AND IF YOU DO, LOOK...

Well



These are only a good luck charm right?

As luck may have it, Kosuge Hotaru managed to escape from the bomb
and didn't seem to want to tangle with Rai-san again
In fact any time their eyes met she ran away

And the pearl die and golden die are now in my possession
Rai san managed to stay to the end of the ultimate game of Russian Roulette thanks to her good luck

HAVE YOU EVER PLAYED WITH A LION?
Of course not!
AH, THERE YOU ARE HANA-BUSA
and here I had thought that she dis-covered her love for me in the time just before my death...
WAAH!
That kiss must have just been to give me the anti-dote...

Nooooo I'm having a premonition of my death again.
IT TURNS OUT A CIRCUS TROUPE THAT CAME TO THE NEXT CITY OVER HAVE THE WHITE DICE
I DON'T REALLY MIND IF YOU DIE ONCE OR TWICE YOU KNOW.
Y...you don't have to say that.
HOW-EVER,
Whether fortune-telling or gambling
IF YOU HAPPEN TO DIE A THIRD TIME,
I'LL USE MY GOOD LUCK TO BRING YOU BACK TO LIFE FOUR TIMES.
It all came through those little dice.

When The Goddess of Good Luck gives her whimsical smile,

★STORYBOARD LEADER MIKI'S REJECTION CORNER!!★

〈 PARA DICE * REJECTED STORYBOARD 〉

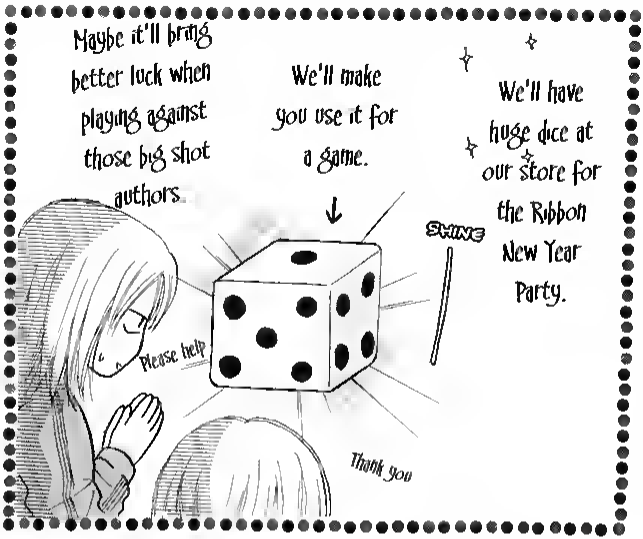
I managed to get this one to pass with no objection after (only) one revision. Rei san is using "kun" when addressing Hanabusa, but we wanted to give her a more evil girl-like feel

〈ESPER SCHOOL * REJECTED STORYBOARD〉

It's a fundamental rule that a gag manga must have at least two gags on the first page! Because of this, I usually come up with 3 or 4 since 60% of the gags get cut "the readers wouldn't get it." Since 60% of the gags get cut, I thought you all might want to see some (weak ones). I'm personally really happy with this manga

〈SOUTHERN CROSS * REJECTED STORYBOARD〉

There's still stuff I want to write for Southern Cross especially some more "adult situations," but whether they have the opportunity to see the light of day is questionable. I really wish I could write this story sometime. Just kidding.



Maybe it'll bring better luck when playing against those big shot authors.
We'll make you use it for a game.
We'll have huge dice at our store for the Ribbon New Year Party.
